The image shows a mobile application interface for a "Smart Wallet". At the top, there's a white header bar with a dark grey rounded rectangle containing the text "Wallet manager" next to a small wallet icon. Below this, three large, rounded rectangular buttons are displayed horizontally: a green one on the left labeled "Deposit 00 BDT", an orange one in the middle labeled "Withdraw 00 BDT", and a blue one on the right labeled "Current Wallet 1340 BDT". The background of the app is a blurred photograph of various coins.
